

Colonial Commercial Corp. Launches Online Education and Resource Center

HAWTHORNE, New Jersey (December 17, 2007) – Colonial Commercial Corp. (“Colonial”) (OTC Bulletin Board: “CCOM,” “CCOMP”), today launched its cutting edge online education and resource center. This new web-based feature provides books, videotapes, CD ROMs and other training materials for contractors. The site also includes NATE (North American Technician Excellence) training programs, enabling the contractor to prepare for NATE certification testing from home. The navigation toolbar permits easy location of educational and training products or materials, including online courses. Access is available through the Company’s website as well as through the websites of any of its subsidiaries.

Colonial distributes heating, ventilating and air conditioning, (“HVAC”), equipment, parts and accessories, climate control systems, and plumbing and electrical supplies and equipment in the states of New York, New Jersey, Massachusetts, Connecticut and eastern Pennsylvania through its Universal Supply Group, Inc., www.usginc.com, American/Universal Supply Inc., www.ausupplyinc.com, The RAL Supply Group, Inc., www.ralsupply.com, and S&A Supply, Inc., www.sasupplyinc.com, subsidiaries to professional contractors. These contractors purchase and install equipment and systems for residential, commercial and industrial users. Colonial also provides control system design, custom control panel fabrication, technical field support, in-house training and climate control consultation for engineers and installers. The Company is a leader in the design of direct digital control systems and systems that control multi-location facilities through the Internet.

The Company also distributes home appliances to dealer groups and appliance stores through its Goldman Universal division, and water filtration systems, parts and accessories and other products through its e-commerce store, www.procontractorstore.com, operated by RAL. The Company is headquartered in New Jersey, and, with its affiliates, operates out of 21 locations in its geographic trading area.
